- 8ft.(2.438m) cord and plug

DESCRIPTION

NSF listed CNSRV DC:02 defrosts food using 98% less water than the running faucet method. It defrosts in less than half the time. Customers have reported saving thousands of dollars on water bills, ROI in as little as two months of usage. DC:02 utilizes proprietary agitation and temperature control to ensure an even and efficient thaw while better maintaining food quality and safety.
